Macmillan Coffee Morning

Thanks to everyone for donating cakes for our coffee morning. It was a lovely morning enjoyed by all and we raised £108 for the charity which is great news. Thank you to the FOBs members who helped with serving refreshments. A great team effort.

School Uniform and PE Kits

A huge thank you to all parents/carers for supporting the school and PE uniform policy. The children look wonderful. If you get the chance pop into celebration assembly on a Friday—it looks fabulous. A sea of consistent blue!

AGM

Please see communication sent out from FOBs regarding the AGM on **Wednesday 11th October @ 3pm** at school.

If you would like to help and be part of the team, please speak to the school office or a member of the FOBs team. It would be great to see you all the meeting.

School Council

Please meet our school. they are ready to represent our classes this year and move the school even further forward.

Allotment

The allotment has been a huge success since starting back in September and we have harvested so much produce. The one the children are most proud of is the pumpkins. Just look at them!

Harvest

Thank you to all who supported the Harvest Festival at the church this morning. The children sang beautifully and made us all proud.

We are still taking donations which can be brought into school until the 13th October and then these will be donated to the Daventry food bank.

Mr Wickstead

Thank you to Mr Wickstead who took on the challenge of running the Great North Run this year. He was 4.5 minutes faster than the last time he did this so this is a great effort on his part. Thank you to everyone who made donations and I am hoping to share how much was raised for the cause and also for school very soon! Thank you Mr Wickstead! We will be putting the money towards some outdoor shelters for the playground with support from FOBS.

Multiplication Meeting

The Year 4 children will sit a statutory multiplication test in June. We would like to invite parents/carers into school to share more information with them on Wednesday 15th November @ 6pm.

Phonics Meeting

We would like to invite Reception, Year 1 and Year 2 parents/carers in to share more information with them about phonics. We will look at how we use Little Wandle in school and what you can do to help at home. This is on Thursday 19th October @ 2:45pm.

SATs and Residential Meeting

The Year 6 children sit their SATs Tests in May. We would like to invite parents/carers in to share more information with them on Wednesday 8th November @ 6pm at school. we will also be sharing information about the residential so we also invite Year 5 to this meeting.

Students

We successfully supported students from the University of Northampton and the University of Bedfordshire last year and this resulted in those trainee teachers securing full time teaching positions in varying schools. This is an excellent opportunity for Barby and we will continue to support universities with their teacher training programmes.

Reflection

In a world where horrible things happen under no ones control, do what we can to make the world a better place. Be Kind.
